CSC 3320 Lab2(in-lab) answers:

A)

/home/hsylla2

B)

Now, it shows me that there is a folder called csc3320
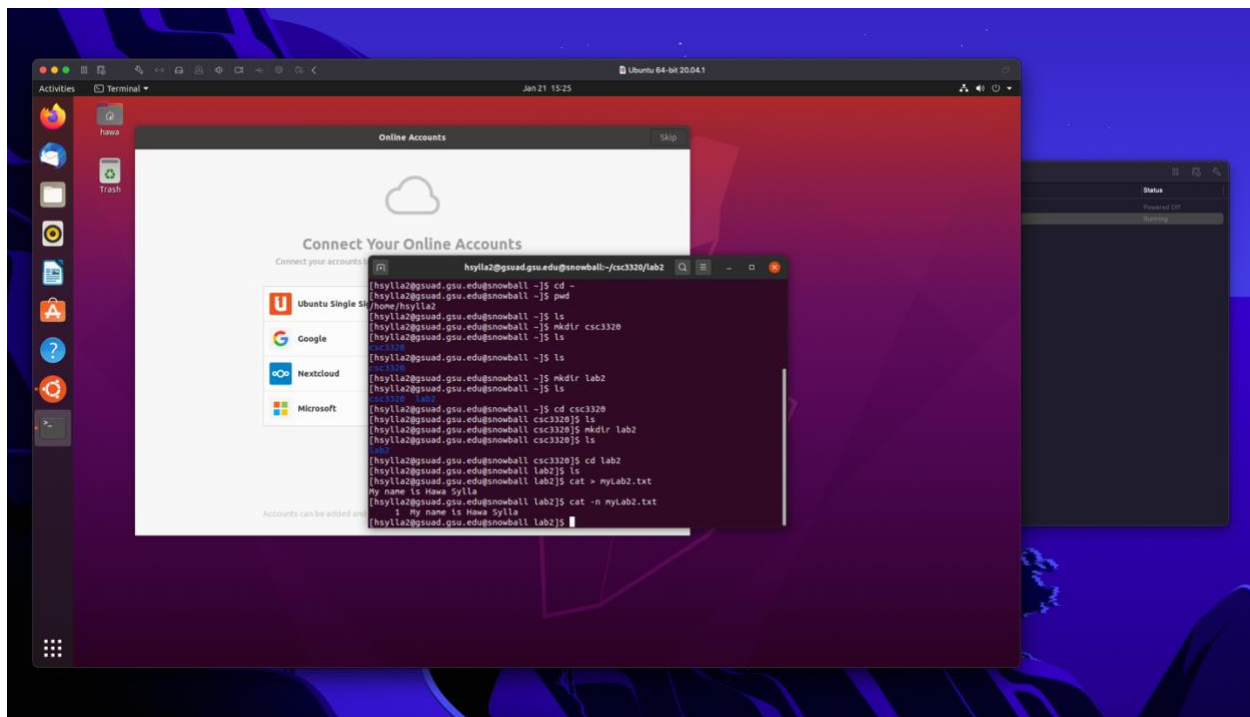

C)

ls

D)

mkdir

E)

cd lab2

F)

The special character is meant to apply the command to the named text file;

The "ctrl-d" is meant to exit the text file

G)

H)
